

Care Groups

Care Groups provide support to those not in a Life Group. Two trained Pastoral Caregivers are assigned to a "Care Group". One Elder/Deacon team provides oversight of the Pastoral Caregiver (s). A ministry leader helps to oversee and direct the Pastoral Care efforts of these groups.

Life Groups

The Life Group Coaches are trained in Pastoral Care and are assigned to a number of Life Groups, working directly with the Life Group leaders. The Life Group Ministry Leader and an Elder/Deacon team provide oversight.
